EDUCATION

Sept 2023 — Current | UMass Global

Software Engineering Bootcamp

Completed real-world projects to master multiple languages and excel in both front-end and back-end development.

Jan 2023 — Current | Madison Area Technical College

Java Professional Developer Certificate

Utilized Java Servlets, JDBC, JavaServer Pages, and JavaBeans to develop dynamic web applications.

Aug 2018 — May 2022 | Wilbraham & Monson Academy

High School Diploma

Demonstrated a deep understanding of object-oriented programming through the completion of APCSA.

PROJECTS

Ecommerce Platform

Minimalistic marketplace developed with React and PostgreSQL with an efficiency first design.

Weather App

Dynamic weather application built with Axios and JavaScript, offering real-time weather updates and forecasts.

Wordle Game

Rendition of the Wordle game implemented in Java, leveraging the JavaFX framework for user interface.

WORK HISTORY

May 2024 — Current | Weber MT

Administrative Specialist

Managed front and back-of-house operations by maintaining clear communication with clients. This involved promptly addressing inquiries, processing orders, and ensuring timely fulfillment to uphold customer satisfaction.

Dec 2023 — May 2024 | Burns National

Case Manager

Communicated with clients and assisted agents to repossess collateral. Maintained case integrity by skip-tracing to uncover new information to aid recovery. Managed company fund transactions, ensuring disbursement of agent compensation.

Apr — Jun 2023 | Amazon Warehouse

Warehouse Associate

Managed incoming and outgoing inventory, ensuring an accurate and timely shipment. Maintained a clean warehouse environment and collaborated with team members to fulfill orders, supporting overall warehouse operations.

Aug — Oct 2023 | Champlain College

Data Specialist

Ensured access to valuable data by updating and maintaining current and accurate constituent information using Raiser's Edge. Additionally, handling essential office duties, including printing, mailing, and other administrative responsibilities.
